WHY THEY CAME

To learn: new things; new ways; how to motivate members; how to inspire future leaders; a new concept of leadership and skills; to find answers; how to change, improve, and grow; to find hope!

EXPECTATIONS MET?

Best of many leadership programs I've attended.

Very informative, with concrete ideas.

WHAT SURPRISED THEM

MOST: *How professional it was, such skilled presenters!*

The hands-on activities and exercises.

Time went by so quickly; we had so much fun!
