

Cumberland Mountain Deanery
2012 January Report

The Cumberland Mountain Deanery's goal is to bring the affiliates closer together so to share the many talents that each parish possesses.

The Deanery shared the program "Advent by Candle Light" with different affiliates before Christmas. Since then forms have been created to collect the information from each affiliate concerning the speakers and the programs they have used in the past. This information will be shared with Cumberland Mountain Deanery parishes either in booklet form or over the internet. Pat Mesmer, the Cumberland Mountain Deanery organization chair is in the process of collecting the information by contacting affiliates by phone or internet. I have already sent copies to the Deanery Presidents.

Our Fall Meeting was held in October at St. Francis of Assisi in Fairfield Glades. St. Alphonsus Community Service (S.A.C.S.) was chosen as our Deanery Project.

We will be working on our By Laws before the next Deanery Projects are proposed.

We too, like the KDCCW will be asking for the reports electronically.

Kitty Jansen
Cumberland Mountain Deanery President
