

Service Project for KDCCW 2022 Convention

The Holy Family Project

April 28-30, 2022

St. Therese of Lisieux Catholic Church

900 Clingan Ridge Road

Cleveland, TN 37312

The Holy Family Project is an excellent opportunity for you and your parish family to provide many blessings to like-minded local charities who focus on the nourishment, growth, and thriving success of mothers and young families in need. We have just one service project and will be able to split our donations between three organizations as the women of KDCCW are so generous.

- **Foundation House Ministries'** mission of "rescuing mothers, rebuilding lives and restoring futures, provides temporary housing, educational opportunities for basic life skills including spiritual growth, and prenatal care for unwed mothers.
- **New Hope Pregnancy Center** ensures "You are not alone" and "We care and We listen" as they provide counseling, education, and prayerful intentions to new mothers or mothers-to-be who may not have resources or support systems necessary for growing a child or family.
- **The Caring Place** envisions a community where everyone has access to the resources and opportunities they need to thrive. Meeting those needs with love, **The Caring Place** provides basic necessities to individuals and families lacking in resources and support systems.

These awesome organizations provide the support necessary for so many families to trust in God and community when times are hard or sad or lonely and **The Holy Family Project** is a way for the women of KDCCW and families of the Knoxville Diocese that wish to participate in easing the burden of these charities and the lives they touch by blessing them with a few popular items.

Some of the more common needs and the request for The Holy Family Project are:

- Diapers and Diaper Wipes
- Baby Clothes (especially baby boy things)
- Other nursery needs
- Bed Linens (Full & Queen are most popular)
- Bath Towel Sets

These items may be gently used or brand new (well, except for the diapers and wipes). Your parish may wish to hold a Baby Shower or a Linen Drive where many members may participate in The Holy Family Project to assure the success of this project will be over whelming. Set up a donation box in your community and know that the blessings will be many.
