

Notre Dame CCW Meeting

Members of the Council of Catholic Women of Notre Dame church, Greeneville, TN gathered together on October 16, 2011 for their monthly meeting. The guest speaker was Wanda Ricker, a well known figure in the church as a cantor, choir mistress and wife of Dr. Fred Ricker, director of the choir.

Wanda's presentation was to familiarize us with the new Mass settings, the new translations, and understanding the reasons for these changes. She led us through the new refrains to the responses which are an integral part of the Mass and can be found

in the Misa Luna, a bilingual (both Spanish and English) glorious Mass which includes the Gloria, the Sanctus, the Lamb of God, and numerous others. These changes go into effect on the first Sunday of Advent, November 27,2011 and will remain in effect for at least 1 year.

Wanda was presented with a gift from the Vice President, Sandy Alter for devoting her time to enlightening the CCW to the changes to the Mass.

Refreshments were served and closing prayers were conducted by our President Aimee Place.
