

Report:

I am delighted to report that the KDCCW Past President's Group---in the alphabet soup tradition of CCW, known as the PPG---is alive and well!

Many of the members of the PPG still serve KDCCW in an active role. Some of the women who have so graciously led KDCCW are in a time in life when active participation is no longer possible, and we all want them to know how special they are to us, so birthday cards continue to remind them that they are still in our thoughts and prayers. Christmas cards were also sent to all, and Valentine and Easter cards will be sent in the coming months.

Several members of the PPG have joined the NCCW 100th Birthday Club, and we continue to promote support of our national organization. I will be encouraging those who are able to make plans to attend the 2012 SEPTEMBER NCCW Convention in South Carolina .

PPG members will be invited to attend and/or donate to the ORGAN CONCERT at the Basilica and of course attend the KDCCW Convention in Gatlinburg. The 2nd annual pre-convention PPG Luncheon will be a highlight and a time to visit and catch up with each other.

Please remember the the members of the PPG are always available to you as a resource! If you have questions about Council or wonder what was done 10 or 15 years ago in a particular area of concern in the commissions, we are your best contacts!!

Jane Carter

KDCCW Immediate Past President
Chair, KDCCW Past President's Group
